BIO

DJ DIOX displayed a natural connection to music from early on. Having spent over 15 years playing the drums, Diox naturally gravitated towards Hip Hop & EDM - honing his high-energy, open format style out of pure passion for music and the collective nirvana brought out by its unrestricted range.

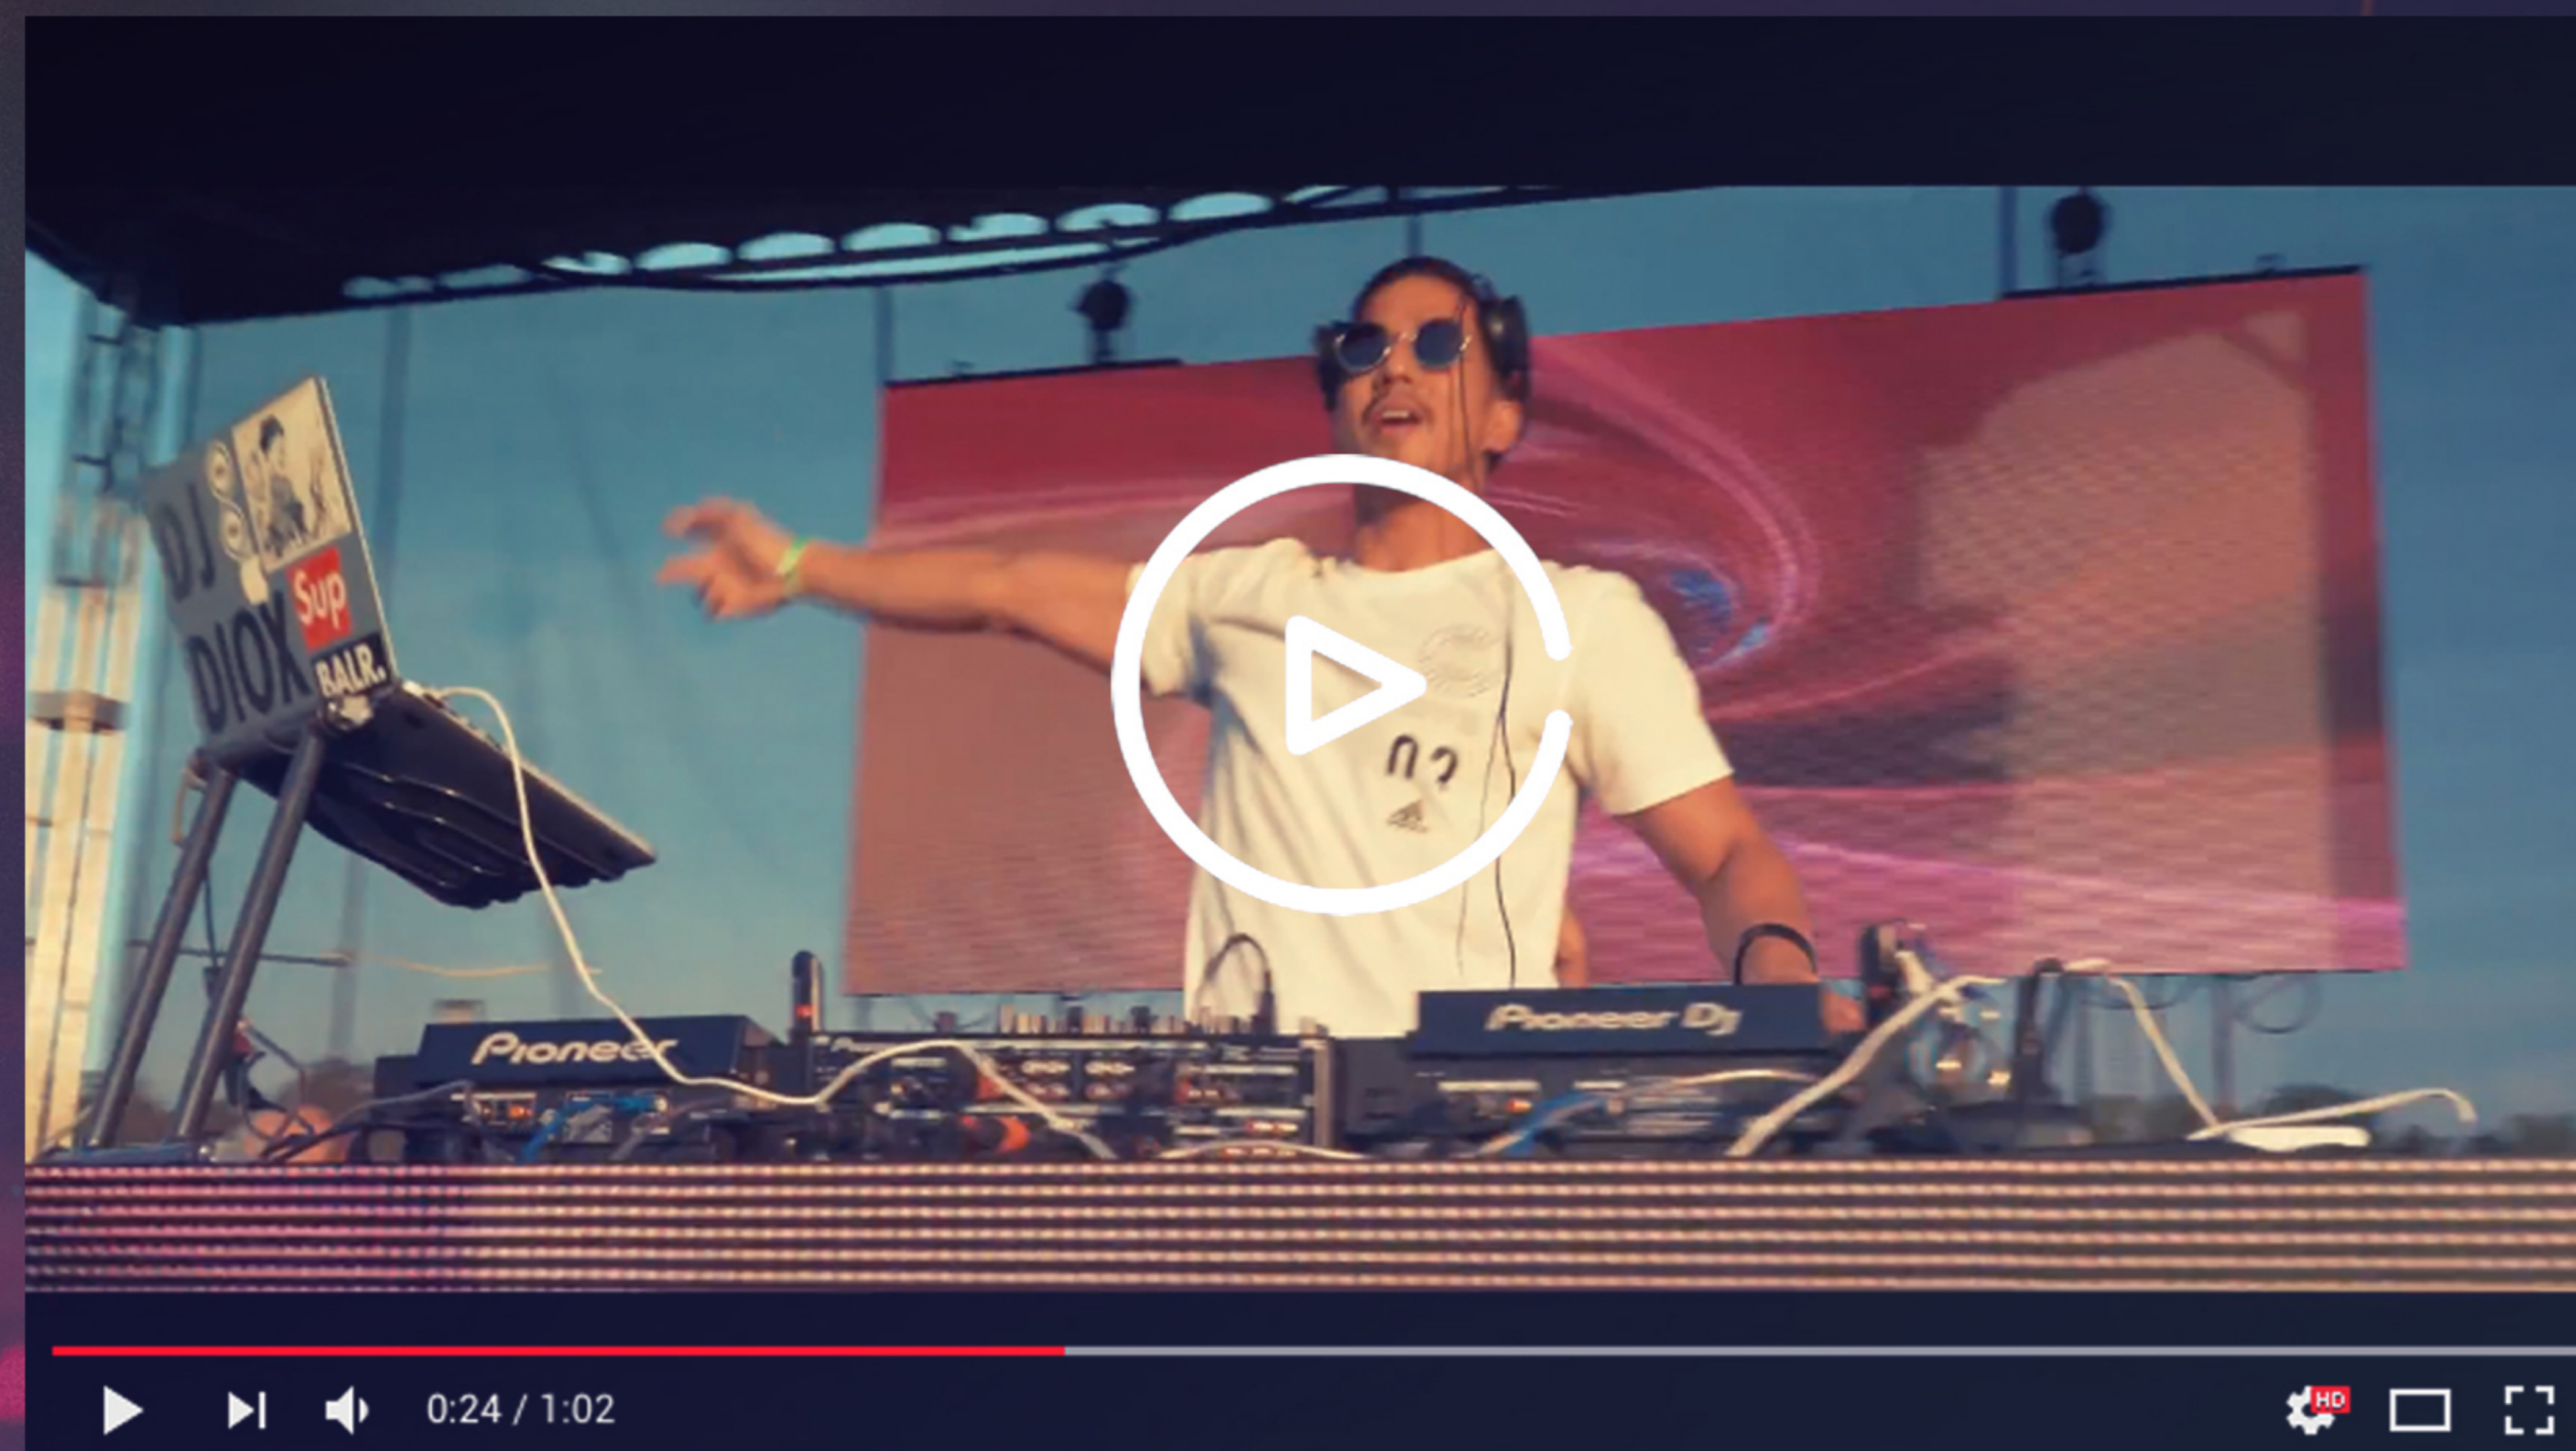

Combining both his savvy business acumen - earning a grant from the University of Wisconsin to begin his foray into the DJ scene - and countless hours spent refining his set, Diox quickly gained recognition as one of Chicago's rising young talents. After regular performances at some of Chicago's top nightlife venues won Diox notable exposure, his popularity grew to new heights.

Solidifying his place behind the DJ booth at Chicago's premier nightlife venues, Diox continues to share a stage high profile performers such as Martin Garrix, DJ Khaled, Chuckie, Drake, Lil Jon, Busta Rhymes, Chance the Rapper, and even Floyd Mayweather.

Today, DJ Diox currently holds residencies throughout Chicago including Bounce, Liqrbox, No.9, Electric Hotel, Cuvee, among others. Diox can also be found performing often in NYC, LA, and throughout the Midwest - not to mention his burgeoning international exposure, having recently toured through Milan, Bolzano, Arona, and Sardinia.
